ABOUT US

Northwest Hospitality alleviates suffering and shows compassion to all our unhoused neighbors through simple, effective programs. We encourage and enable participation in local services that help bring people out of poverty. As we accomplish this goal, we serve our supporters by being a transparent charity that embodies integrity and efficiency in both our programs and operation.

WHY PARTNER WITH NWH

- Northwest Hospitality is entirely volunteer-run and mostly funded by individual donors. Not working with as many large grant foundations allows us to be more flexible, direct, and effective, meeting many needs that no other orgs are able to address. Your sponsorship strengthens this independence and will help our programs reach a new level of success in our community.
- Great local presence throughout King and Kitsap Counties
- Your support will serve communities state-wide and locally
- Sponsor support will be shared with over 1,100 volunteers and donors who have supported NWH since 2019
